

East Central DRA Prize Meeting – 21st April 2014

The weather was fine with a fickle wind. The participants enjoyed a great day of shooting and lots of fellowship over a hot beef lunch and heaps of home made goodies for morning and afternoon tea.

There were some spectacular range scores - FS A 60.8 at 300 and TR A 50.6 at 600. The shoot was over in good time with most on their way home by 3:30 when the Hume Freeway was already very busy.
