

VRA News 17th April 2024

Thankyou to all the volunteers who assisted VRA last week during the 2024 VRA Kings meeting. They include sponsorship, slashing the range, cleaning up storm damage, flagging the range, preparing the camp sites, assembling the booklet, medal stickers, entry packs, collecting cards, equipment testing, competition results, cleaning of pavilion and tables, presentation, distributing the rubbish bins, collecting the rubbish bins and sorting the recycle from the rubbish bins.

Thankyou also to all our range staff who undertook target repairs, marking, range and target officer duties plus moving of blackboard trailers, portable toilets and portable shooting benches. Volunteers underpin the success of our meeting and VRA sincerely thanks each and every person who assisted us.
